## [Why clubs below Super League may be better placed to deal with lockdown](#)

Championship clubs rely heavily on matchday income but their smaller wage bills make them more nimble in a crisisBy Gavin Willacy for No Helmets RequiredPlenty has been written about the plight of Super League players and clubs, but what is at stake in the Championship, rugby league's second tier? W...

## [My favourite game: France v New Zealand, 1999 Rugby World Cup](#)

Underdogs turned the rugby world upside down to beat the odds-on All Blacks and create one of the greatest games in the history of the tournamentIn these dark days the unscripted drama of live sport feels more important than ever. The second World Cup semi-final at Twickenham in 1999 seems like yest...
